Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

Regarding claims 1-16, the prior art fails to teach or suggest a method support a multiple appearance directory number (MADN) group including packet-and circuit-switched terminals, the method comprising "providing centralized call signaling for the circuit-switched terminal and the at least one packet-switched terminal from the PSTN; and providing PSTN services to the circuit-switched terminal and the at least one packet-switched terminal via the PSTN," in combination with other limitations, as specified in the independent claim 1.

Regarding claims 17-27, the prior art fails to teach or suggest a call signaling system for supporting a multiple appearance directory number (MADN) group including packet- and circuit-switched terminals, the system comprising a gateway supporting a packet-switched network with at least one packet-switched terminal; a call signaling system associated with said circuit switched interface and said gateway and adapted to "provide centralized call signaling for the circuit-switched terminal and the at least one packet-switched terminal; and provide public switched telephone network (PSTN) services to the circuit-switched terminal and the at least one packet-switched terminal," in combination with other limitations, as specified in the independent claim 17.

Regarding claim 28, the prior art fails to teach or suggest a system for supporting a multiple appearance directory number (MADN) group including packet- and circuit-switched terminals, the method comprising "means for providing centralized call signaling for the circuit-switched terminal and the at least one packet-switched terminal

from the PSTN; and means for providing PSTN services to the circuit-switched terminal and the at least one packet-switched terminal via the PSTN," in combination with other limitations, as specified in the independent claim 28.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
